

Introduction

intro Welcome \${m://FirstName}!

Thank you for participating in the [INSTITUTION] Senior Survey.

This survey has several parts: We ask you to evaluate [INSTITUTION], considering your whole undergraduate experience and your experience in your major(s). We ask about your plans for next year and beyond, and about how well prepared you feel for this next big transition in your life, including your general assessment of what you've learned in college. We close by asking for some background information. Your answers are very important to us — they will inform our efforts to improve in the years to come.

Your participation in this survey is voluntary. The information collected will be kept strictly confidential and will not be printed or published in any form that would identify any individual.

If you have any questions or encounter any problems while taking the survey, please contact [LOCAL SCHOOL CONTACT].
